

March 10, now

18, 1974 - Mon.

Dear Vicki and Jim,

The dress is on the way, air mail so should get there soon. I hope you can use it. I couldn't find any of Marje's Cotton shirts, best they may be in my big old trunk, which got locked accidentally years ago and I never did have a key for it. I also might have given those things away. The dress I sent was a party dress of Sonja's and it is what they wore in the 50's as she started or rather belonged to the Rainbow girls when she was quite young.

In April the yoga classes start and it should be quite interesting. There are two more months left for the Swedish classes and that takes a lot of work on the lessons so I will be glad when it is over with as I have a lot of other things to do.

Mike didn't go to Dusty as

he had planned last week, but
he is going to take the bus
over tomorrow. His mother had
been in Spokane taking a night
class and afterwards when she
was walking to her car she
slipped on a curb as it was
dark out, and she fell and broke
one leg and sprained the ankle on
the other leg. She will be alright
but it will take a little time.

Sandi and Dick were up at the
cabin over the weekend with
Rickey. They had planned to ski
but didn't as the ski report said
the conditions were terrible.

I hope every thing is going
along fine for you.

Love,
Mom
